

ORACLE PROJECTS APPLICATIONS FUNCTIONAL CONSULTANTS

If you are experienced in implementing the [Oracle E-Business Suite Projects family of applications](#) we'd like you to join our team as an Oracle Projects Functional Consultant. We offer generous compensation and an opportunity to further refine your skills working with other experts.

Responsibilities:

Become a key member of our client engagement team with responsibility to work as part of the implementation team on projects both as part of a larger team and working directly with our client internal teams to deliver solutions to their challenges.

Candidate Requirements:

- At least 3 years hands-on experience implementing the Oracle Project Costing (PJC) and Oracle Project Billing (PJB) applications. Involvement in at least two complete lifecycle implementations.
- Experience implementing one or more of the following applications:
 - Oracle Project Management (PJT), Release 11.5.10 Family Pack M or R12.x
 - Oracle Project Resource Management (PJR), Release 11.5.x or R12.x
 - Oracle Project Manufacturing (PJM) 11.5.x or R12.x
 - Oracle Project Contracts (OKE) 11.5.x or R 12.x
 - Grants Management 11.5.x or R 12.x
 - Oracle Core Financials R12.x
- US citizen and experience with government contracting entities highly desired
- Understanding of other Oracle E-Business Suite Applications and their integration with the Oracle Projects applications essential.
- Experience configuring the E-Business Suite Projects applications to fit client business needs
- Experience with business process design and change management very beneficial.
- Ability to work with end users and line-of-business managers to map Oracle applications standard processes to the business needs of the client
- Experience in identifying and documenting gaps and making recommendations to resolve gaps through solution design and/or process changes
- Knowledge or experience in multi country implementations desirable
- Ability to work in a team environment or independently
- Willingness and ability to travel extensively
- Excellent verbal and written communication skills
- Excellent references
